## Summer Highlights - Let the Parents Have Their Say

One-hundred fifteen children, teens and youth, most with special needs, and seventy-one parents received the blessings of “Good Mansion” overnight summer camp.

The summer’s highlight for MTU’s staff was hearing the summer camp highlights of our parents. We would like to share them with you.

“I loved the spa day massage, horseback riding, slides, water games, and crafts (a wonderful opportunity to make gifts to remember the camp). Thank you very much. I would like to wish you health, love in your families, success in all your works. May big amounts of money be poured on to you so that you could continue this work. I bow down before you.” (Ukrainian idiom meaning “highest respect and utmost gratitude.”)

Oksana

“The most beautiful thing for me was to learn to accept myself. I loved the stories and sermons and children’s skits. Thank you for being there. Thank you for giving us hopes for future. At the camp we have always had confidence in tomorrow. You have so much love for the neighbor that I almost envy you. May God bless you with health and patience. I bow down before you.”
